# Discrepant Government Behavior Concerning Women

Scaled 2015

-  The laws are consonant with CEDAW and are well enforced by the government; such enforcement is a high priority of the government
-  The laws are consonant with CEDAW; these are mostly enforced, and the government appears to be fairly proactive in challenging cultural norms which harm women
-  The laws are consonant with CEDAW, but there is spotty enforcement; the government may or may not signal its interest in challenging cultural norms harmful to women
-  Laws are at least somewhat consonant with CEDAW, but with little effective enforcement; improving the situation of women appears to be a low priority for the government
-  There is virtually no enforcement of laws consonant with CEDAW, or such laws do not even exist
-  No Data
